The Sacco Family has been preparing submarine style sandwiches since 1947, at the White House Sub Shop of Atlantic City. Twenty-two years later, in 1969 Sack-O-Subs in Ventnor opened their doors and began offering the same quality to the downbeach area.

In 1994 The Sacco Family introduced the same expertise to Ocean City. In 1999 we opened in the off-shore community of Absecon. Then, in 2008 we opened our doors inside Harrah's Casino. We pledge to continue to use only the finest ingredients that have enabled these businesses to thrive for over half a century. We take pride in each of our establishments quality and service and will continue to do so in order for our proud tradition to live on.
